Dear Parents/ Carers,

It is clear that education and children's social care settings are increasingly finding it difficult to continue as normal, as illness and self-isolation impacts on staffing levels and pupil attendance. To provide parents, children and staff with the certainty the government have announced that schools, colleges and early years settings will be closed to everyone except children of key workers and vulnerable children from Monday, as part of the country's ongoing response to coronavirus.

Examples of these workers include NHS staff, police and delivery drivers who need to be able to go to work. Vulnerable children include those who have a social worker and those with Education, Health and Care Plans.

A full list of key worker categories will be published by the Cabinet Office this afternoon.

If you think that your child falls into this category and you are intending to bring your child in, please let us know as soon as possible.

Children who do not fall into these groups should remain at home with appropriate care.

As always, if you have any concerns please do not hesitate to come and speak to Katarina or Helen.

Yours sincerely

Katarina Bingham
Head of Centre
