2nd October 2020

Dear Parents/ Carers and Families,

Questionnaire for remote learning and wellbeing

Thank you everyone who completed our online questionnaire. It is crucial that we collect this information so that we can support you and your child in the event of a full or partial closure due to COVID-19. If you didn't manage to complete this questionnaire, please do not worry, we will phone you to gather this information. Once we have received all the responses, we will analyse this information, identify barriers to learning, share our actions with you and individually support you and your family if needed.

The government letter to parents regarding COVID test

The government, Department of Health and Social Care has published a letter to parents and guardians: when you should book a coronavirus test for your child. This is an important letter to share some information on how they can work together to make sure we can continue to give children and young people the best education in the safest way possible. *Please find attached.*

Legal duty to self-isolate

People in England will be required by law to self-isolate if they test positive for COVID-19 or if they are instructed to do so by NHS Test and Trace from today. Fines introduced from today start at £1,000 and will rise to up to £10,000 for repeat offenders or the most serious cases.

Speech and Language therapists

Due to the current Covid-19 outbreak and to ensure that we keep both children and staff as safe as possible, Speech and Language therapists have made the decision to suspend their face to face speech and language therapy drop in clinics in the Reading, Wokingham and Newbury areas. If you would like any advice or wish to speak to a speech and language therapist, please send an email to the email address below. Please include your child's name and date of birth and they will get back to you as soon as we can: Wokingham – CYPIT.ADMINBRWOK@berkshire.nhs.uk Reading – CYPIT.ADMINREADING@berkshire.nhs.uk West Berkshire (Newbury) – CYPIT.ADMINNEWBURY@berkshire.nhs.uk. If you would like any more general advice about how to look after yourselves and your family, please go to the NHS England website or visit gov.uk.

Please continue to follow the Norcot Facebook page as well as our website that we update regularly.

Thank you for your continued support and co-operation, we really appreciate it. Please do not hesitate to contact us for any support or help you may need.

Yours sincerely,

Mrs. Katarina Bingham
Head of Centre
