Dear Parents

February 2021

Following a review of the Waterside daycare fees by our Governing Body, it was agreed that the fees will increase from **1st April 2021**. The revised price list is attached.

We monitor the fees on a regular basis to ensure that we continue to offer excellent provision and value. As you are aware our fees include the following:

- Supply of nappies, milk and baby wipes.
- Our own cook who cooks fresh produce on site.
- Consistent, high quality care and education with experienced staff who have worked with us for many years.
- Qualified teacher input into EYFS Planning.
- Robust staff professional development.
- Waterside daycare fees are still competitive compared to other local nurseries in the area.

We are a not for profit daycare setting, however rising costs mean that yearly fee increases are unavoidable. We do appreciate your loyalty and thank you for your continued support.

Yours sincerely

Katarina Bingham
